PLAYING WITH DINO-MIGHT DEPT.

Director Steven Spielberg's latest movie combines many of the winning elements from his previous films: Like *Raiders of the Lost Ark*, the hero wears a big, battered hat. Like *E.T.*, scaly, ugly creatures play a big part. And like *Jaws*, there are teeth — lots and lots of sharp, man-eating teeth! The only elements he left out are a cohesive plot and interesting characters! Still, if you should run into one of these monsters at their island preserve, you'll understand why the place is called...

I'm Doctor Allin' Grunt, the world's leading expert on dinosaurs! I'm always so involved in my work that most people believe I'm a cold and unfeeling person! Not true! I've got typical male feelings just like everyone else, especially when I'm around my cute colleague, Illie Straddle! Man, I'd give anything to slip into a museum and check out a skeletal reconstruction of her bones!

JURASS-HAS-HAD-IT
McDONALD'S
BURGERS

I'm Doctor Illie Straddle! Besides being cute, I'm also an expert on old fossils! The most important old fossil on our agenda is Jaunt Hammock, the nutty millionaire who supports all our bizarre research work!

DO-IT-YOURSELF
DNA DINOSAUR
KIT

And I'm that nutty millionaire! I share their passion for giant beasts with brute strength, which is the same reason I invested so much money into pro wrestling! But the WWF at its wildest can't match my latest venture, Jurass-has-had-It Park!

JURASS-HAS-HAD-IT PARK

ARTIST: MORT DRUCKER

WRITER: DICK DEBARTOLO

I'm sure they'd rather hear about me, I am Malcontent, the modest mathematical genius! I developed the Chaos Theory—simply put, it means that all the hype this movie got will result in chaos at the box office! I think Hammock is nuts to be mixing dinosaur DNA with frog DNA! It can only result in one thing—frogs that turn into REALLY BIG princes!

I'm Dinero, Hammock's lawyer! What's amazing is that despite my profession, I'm not the slimiest sleaze in this place! My job is to get Grunt and Straddle to endorse the park as being perfectly safe so we can get liability insurance against injuries from the herds of wild, primitive beasts that roam free here—the tourists!

I'm Mulldoom, the Game Warden! I say Hammock's taking a hell of a chance breeding Raptures in captivity! They're lethal beasts who could very easily escape and wreck the whole park! But anyone who's seen all the promos and hype for this movie already knows that!

JURASS-HAS-HAD-IT
PARK

MORT
DRUCKER

I'm Nerdy! I hope this small type doesn't strain your eyes, but I don't want to be overheard! You see, I'm going to be paid big bucks from a rich competitor for each embryo I smuggle out of this park! There's only one problem—I don't know what an embryo is! Hey, I'm just a typical computer programmer! If you want short, clear explanations you'll have to ask these kids!

He's right! We're the cliché "you-can't-make-a-high-grossing-movie-without-brainy-brats" kids, Hex and Dim! You might think it unbelievable that our parents would let two kids come to a dangerous island without them...

...but then they saw "Home Alone II" where Macaulay Culkin went to the most dangerous island of all, New York City! It grossed over 100 million! They had us packed and at the airport in an hour!

The van stopped! It must be a power failure! We're stuck!

Look what I found! Night vision glasses! Now I'll be able to see the dinosaurs, but not the wires holding them up! It will make the special effects seem even more spectacular!

Boy, these night vision glasses make that T-Wrecks look like it's just six feet away!

Without the glasses you'd see he's only six inches away! Too bad we don't have one of those GM vans with the side mounted gas tanks! When he rammed us, we could have blasted him to kingdom come!

I can't believe my bad luck! I steal the dino embryos all right, but then I get stuck in a storm, stuck in the mud and worst of all, stuck with a Dilophosaurus who looks like half his DNA came from the cast of Gremlins! And he's spitting in my face—Hmm, this tastes pretty good! After all, I haven't eaten in nine minutes!

It was unbelievable enough that the van fell over a ravine and landed in a tree, but now every time we climb down a few branches, the van crashes down after us!

I know! I can't believe I just renewed my life insurance policy and didn't spend the extra nine dollars for the "Van Chasing Insured Down a Tree" rider!

If the dinosaurs are supposed to be all females, how come some of them turned out to be males?

Hammock used frog DNA! Frogs can spontaneously change sex!

Spontaneously change sex? Wow! This isn't a movie, it's an episode of Gerald!

The dinosaurs are going ape!

Ape? First frog, then ape! What's next, kangaroo?

I mean they're out of control, but I have a plan! We can shut down the system that supplies Listerine to the dinosaurs! If they don't have Listerine, they'll develop bad breath, have no sex, and become extinct again!

Sounds implausible! But so does everything else in this movie, so if nothing else works, let's give it a try!

THE BAFFLING BIKER'S BUGABOO

The Pump Shoe offers incredible benefits. No, not for your feet, silly—for the owners of the company that makes them! This product has single-handedly (or is it single-footedly?) pumped up sales and inflated the incomes of everyone selling them. But why should they be the only ones to swell their bank accounts? Why not expand the profits in various industries with...

THE PUMP IDEA IN OTHER PRODUCTS

WRITER AND ARTIST: AL JAFFEE
COLORIST: CARL PETERSON

THE PUMP SHOE BEFORE IT IS PUMPED UP

The beauty of the PUMP SHOE is its utter simplicity. To prepare for the pumping process, all you have to do is find the circle marked "pump." (The raised arrow is for illiterates and the visually impaired.)

THE PUMP SHOE AFTER IT IS PUMPED UP

After finding the circle marked "pump," it's simple to produce the PUMP SHOE effect. Using any convenient finger, push vigorously in and out until the desired level of comfort is reached.

WARNING!
Do Not Overpump!

Manufacturer
is not responsible
for the horrors
of
an exploding
shoe!

THE **PUMP** SOCK

This idea goes the Pump Shoe one better. In fact, you don't even need a Pump Shoe with this hot little item. It makes **EVERY** shoe ■ Pump Shoe! No matter how oversized your shoe, boot, or fishing wader, the **PUMP SOCK** expands inside to make a comfortable and cozy fit!

THE **PUMP** DIAPER

No matter how they try they never completely succeed in making disposable diapers leakproof. Babies come in too many different sizes and shapes! The **PUMP DIAPER** solves this problem by tightening snugly around every part of the baby that could possibly produce unwanted fluids. (CAUTION! When deflating, do so in a large, well-ventilated room with adequate drainage!)

THE **PUMP** TIE

This may seem trivial, but for some it's a godsend! Poor wretches like accountants and lawyers must wear ties every day. Tie fashions go from narrow to wide and back without warning and always after you've thrown the old ties away! Staying in style is confusing and expensive. The **PUMP TIE** solves the problem by pumping in for wide and pumping out for narrow!

THE **PUMP** PANTS SEAT

Anyone who's ever sat through a long meeting on a hard chair knows what a pain in the butt that can be! With **PUMP PANTS** the pain is gone! Now plastic chairs, hardwood benches and cement stadium stairs are no longer instruments of torture. (WARNING! Be sure to deflate **PUMP PANTS** before walking out onto the street, or others may suspect you have a serious bodily control problem!)

THE **PUMP** SKI JACKET

Once inflated, the **PUMP SKI JACKET** prevents injuries! You can safely smash into trees and rocks, roll down steep slopes, fall from ski lifts and otherwise make a complete fool of yourself without fear or care. You're even safe in avalanches since you can slowly let out air to breathe till you're rescued!

THE **PUMP** GLOVE

The **PUMP GLOVE** inflates to provide a cushion of air that protects the hand from many hazards. Ice, fire, and closing subway and elevator doors are no threat while wearing these! The only time the **PUMP GLOVE** should not be used is when fighting. Although your hand would be protected when you threw a punch, your nose would not be when you received one (unless, of course, you're able to pull the glove over your head!)

Religious leaders have been worried for years about each generation's declining interest in faith and holiness. But nowadays, their plight is even worse! 1990s kids spend so much time surfing the Net, they don't have the time or inclination to head to their local house of worship! So how can religiosos get their message to today's youth? By putting the whole God thing into a context that Gen Xers can understand! First up...

Both Jerry Seinfeld and Tim Allen took some of their stand-up routines and turned them into wildly successful sitcoms. Now, Ray Romano has taken some of his stand-up routines and woven them into...well, let's put it this way: Good things don't necessarily come in threes! It's no wonder that...

Everybody Loathes Raymud

I'm Raymud, your typical, everyday boring neighbor next door! Only difference is, I'm a boring neighbor who's got his own TV show and is pulling in a fortune saying the same dumb things your neighbor says for free! This is a pretty original opening, isn't it? Watching my whole family flying all around me! Well enjoy it, because it's the only original thing you're gonna see on this series! I work as a sportswriter, which is too bad, because what's REALLY needed around here is team of COMEDY writers!

I'm Deadbra, Raymud's wife. I try to run my own household, but it's difficult with Raymud's interfering parents living across the street. It'd be nice if they TRIED living across the street! Problem is, they mostly live here in our house! And they bicker a lot! I know, bickering parents can be fun to watch, but to me, it's not so funny when they're YOUR bickering parents!

I'm Rank, the obnoxious father who thinks he knows everything. Believe me, I'm the first one to admit it when I'm wrong, although that's never happened yet, and probably never will! There's a lovable side to me too, but thank God, I've never had to show it!

Life's a breeze for me. When you're six years old and terminally cute like I am, anything I say gets a big laugh. It's called "Full House Syndrome"! That's where lines like, "I'm hungry," and "Gee, mom, not sandwiches again! Yaggh!" get howls of laughter! To be honest, the "yaggh" wasn't my idea, exactly! I hear the people in the audience saying it all the time!

I'm Robot, Raymud's brother, the cop. Even though I still live with our parents, they like Raymud best! I can't understand it! I'm the one who's always giving them gifts! So far I've given them a VCR, a giant screen TV, a camcorder, two Rolex watches, and a very expensive 35mm camera! No, wait, I had to return the camera! The guy in the Stolen Property Room missed it, but so far they've been able to hang on to the rest of the stuff! For a while, anyway!

I'm Marinata, Ray's mother. It's wonderful having my son living so close. All I had to do was add a little bit of line to my apron strings to keep him attached to me! Of course, I'm not crazy about that bimbo he married. She snatched my little baby boy right out of the cradle! Although, I must admit that keeping a 23-year-old man in a cradle was getting difficult, but nothing's too difficult for an Italian mother when her son's well-being is at stake!

We're the twins. We're hardly ever in the show! But hey, you can never go wrong with twins as part of a sitcom family! We have a great excuse why we don't say any funny lines — we're too young! Unfortunately, the rest of the family doesn't have that excuse!

Even though we don't do funny lines, we can still crap in our pants from time to time! That's always good for a cheap laugh! They say "crap" on this show a lot! I guess it has something to do with that "truth in advertising" crap!

I'd like to, Melon Pit, but it's been so long since I used your first name, well...could you remind me what it is again?

Remind you of my name? Are you joking?!

Unfortunately, I am, and that was my best joke this week!

I'm making you lunch, Raymud!

Thanks, but Mom already made me lunch!

How come no matter what I want to do for you, your mother either butts in or does it first! I mean, she was even there with us in our room on our wedding night!

C'mon, it wasn't ALL bad! At least you had someone to talk to when I fell asleep!

Er, hi, Mom!

TV networks are in a awful bind! When they covered O.J. Simpson's preliminary trial hearings, they incurred the wrath of viewers who missed their favorite daytime shows! But by not pre-empting these shows, they would have incurred the wrath of viewers interested in long, boring legal proceedings! Luckily, with trial time here, MAD's devised a way to keep everyone happy! Simply broadcast all daytime shows live and creatively incorporate trial news directly into regular programming! Okay, guys, what do you want to do?

I know! Let's go to Kramer's pad! No one's ever actually seen it even though he lives across the hall!

Nah! Let's try to top some of the really tasteless adventures we've had, like the time we made fun of the boy in the bubble, or the deaf-mute, or the paraplegic, or those helpless elderly people! They were riots!

Tell me, Kramer, what's your first name? Or last name? Whatever!

Kramer! I once had a first name, or maybe it was my last name! It was sewn on a label in my old camp undershorts, but they got lost in the laundry!

I'm still wearing my camp undershorts! Maybe there's a label that'll say if Newman is my first or last name!

Don't you think this show is a little too Jewish?

Not at all! It helps contradict the old stereotype!

Which stereotype do you mean?

That Jews are smarter than other people!

Can we talk about the girl I met the other day? We might be having a relationship!

A meaningful relationship? I've never had a meaningful relationship!

Good! Since we've never had a meaningful discussion about anything meaningful, we can talk about it!

I come on as a real horny, man-crazy ditz! but I'm not! Don't you have a different sex partner every night of the week?

I guess I would if I had seven vibrators!

Dan Rather! Are you the cameo guest star for this episode?

No, I'm here to do a CBS Reality Check on this show! First, let's try to settle just where reality lies! Is Jerry supposed to be Jerry Seinfeld, the very successful comedian with his own TV show, best selling book and American Express commercials? Or is he just playing a character named Jerry Seinfeld who's only a semi-successful comedian? And isn't the show, which claims to be a true slice of New York life, shot in Los Angeles?

Hmmmm, you really got your work cut out for yourself, fellal!

Why not?

George, come back home to live with us! We can't take the chance of your having to rely on the kindness of strangers!

We're your parents! If we treat you with contempt and loathing, imagine how strangers are going to treat you!

DRUCKER

You're so seldom at the office! Perhaps book publishing isn't your line of work!

What should I be doing?

Well, considering your absentee record, you might consider being in congress!

Hi, Elaine. What's new?

Nothing much!

Your Book, "Sein Language" was dumped as Number One on the Best Seller List and replaced by Howard Stern's book the minute it hit the bookstores!

Howard Stern again! First he embarrasses me on TV by asking about my 18 year old girlfriend! Now this!

THESE 5 PAGES ARE ABOUT ABSOLUTELY NOTHING!

Me again! If this were really the life of Jerry Seinfeld, Elaine, who works in the publishing world, would have told him exactly what was new...

Somebody's knocking at the door!

Who can it be? We're all here!

It must be our cameo guest star!

This Seinfeld Show is driving me crazy! Wherever I go, people want to know what Kramer, George, and Elaine are really like! I'm at a loss to tell them that they exist only in your sitcom and not in real life!

I know what you mean, Jerry! People are always asking me about Julia Louis-Dreyfus, Jason Alexander and Michael Richards! But how should I know about them since they're real people with real lives and I'm only a fringe stand-up comic in this sitcom!

Hold it, fellas! Maybe I can straighten this out with a CBS Reality Check!

Yeah, sure! Like we'd trust a CBS biggie to help out an NBC show during sweeps week!

Which one said that, our Jerry or the other Jerry?

I'm getting a migraine headache! I've got to lie down!

At any given time, there are millions of people with colds! So where does all that mucous go? Maybe into our streams and rivers which feed into our water supply! And why isn't anyone worrying about that except me?

THE FASTEST ONE HALF HOUR ON TV.

Every generation develops its own "protest look." In the sixties, the ultimate expression of rebellion was to have long, greasy hair. Today, the only people with long, greasy hair either work in the film business or manage comic book shops. Currently, tattoos and body piercings identify Gen-X trendies rebelling against society and their parents. But tomorrow, you might need tattoos and piercings to get into the Boy Scouts! That's the problem with protest looks — society eventually accepts and gets used to them, meaning the next generation has to come up with an even *more* outrageous and grotesque trend. What does the future hold? Let's travel down not-yet-memory lane and explore...

BODY MODIFICATION TRENDS OF THE FUTURE

WRITERS: BRIAN & SEAN FARRELLY

ARTIST: TOM BUNK

COLORIST: CARL PETERSON

2000

Rasta Nostrils

The exotic, reggae-drenched underground cool of Rastafarianism hits its disgusting cultural peak when the dreadlocked nose-hair fad sweeps the nation.

2012

Body Warping

Leg and arm bones are deliberately broken and permanently reset in positions that nature never intended. Favorite styles include the "butterfly knot," the "pretzel" and the ever-popular "YMCA."

2023

Pirate Cool

Needless amputations and prosthetic limbs become the ultimate in radical fashion when a look dubbed "Pirate Cool" sweeps the nation. Kids everywhere go in for peg legs, hooks and laser eye-removal surgery.

2026

Wrinkle Chic

An offshoot of the baggy pants look of the '90s, baggy skin becomes all the rage. People have their epidermis pulled and stretched like saltwater taffy until their faces and bodies attain that wrinkly, casual, totally fly shar-pei dog look.

2028

Body Welding, aka Siameseation

Having your boyfriend's or girlfriend's name tattooed on your body is no longer enough to express your eternal devotion. Instead, couples display their commitment to each other by undergoing "Body Welding," a process in which their flesh is stitched together at a spot of their choosing, joining them forever in a permanent bond of love and togetherness.

2030

Unicorn-O-Plasty

Tough guy wannabes everywhere have a unicorn horn surgically implanted in their foreheads. Besides having a new symbol of their rugged individuality, they can also take part in bloody head-butting contests to settle their mating, financial and sports trivia disputes with friends and rivals.

2033

Tattoo A-Glow-Glow

Fluorescent ink and microchips implanted underneath the skin make possible the newest in body augmentation: flashing neon tattoos. Programmable to flash different messages, most opt to announce their allegiance to a gang or a band, or to publicize their homepage on the web.

2036

Cellophane Style

Layers of skin are surgically removed and replaced with clear transparent plastic in order to expose internal organs and blood vessels, attaining the trendy "Slim Goodbody/visible man" look.

2040

Critterizing, aka Manimal Morphing

Radical animal lovers undergo procedures to resemble the creatures they most adore. Elective options add udders, humps and marsupial pouches. Sea lovers opt to have blowholes and gills created, and to have steel wires pierced through their cheeks (creating the makeshift catfish look now in vogue).

TV critics have hailed the show *ER* for realistically depicting the gritty, fast-paced, behind-the-scenes action of a major metropolitan hospital. (Yeah, right! And *Lois and Clark* realistically depicts the gritty, fast-paced, behind-the-scenes action of a major met-

ropolitan newspaper!) In the real world, "The Patient's Bill of Rights" guarantees every one admitted to a hospital competent health care from a qualified physician and access to their medical records. On TV, there are far more important concerns, as outlined in...

THE *ER* PATIENT'S BILL OF RIGHTS

1. THE PATIENT HAS THE RIGHT TO never have to fill out reams of tedious medical paperwork (on camera).

2. THE PATIENT HAS THE RIGHT TO be the top priority of the attending staff—unless they are having a personal crisis, have just had their car repossessed, have lost a bitter custody battle to their sister, have just lost a fight to the death to be named Chief Resident, are preoccupied with being rotated to pediatric surgery, are considering having an affair with another attending doctor who they never noticed that way before, have realized that their mother's death is all their fault, have just had sex in the laundry room with an intern, have forgotten to take their Prozac, or have just tested positive for AIDS, herpes, Lyme disease, lactose intolerance or PMS.

3. THE PATIENT HAS THE RIGHT TO receive 200 volts from those cute little paddles in the crash cart after the Emergency Room doctor has yelled, "Clear!" in a loud, dramatic voice. This will be done on request even if you're only here for a broken arm.

4. THE PATIENT HAS THE RIGHT TO burst into the Emergency Room and be given "100cc of Lidocaine," (whatever that is) and "Stat," (whatever that means) during a breakneck ride on a gurney through a crowded hospital corridor.

5. THE PATIENT HAS THE RIGHT TO be treated by doctors and nurses who speak impeccable English—unlike real hospitals, where most of the staff speak a confusing mix of Indian, Korean, Japanese, Ebonics, and a touch of that lilting island patois that sounds lovely but is absolutely indiscernible to most people.

6. THE PATIENT HAS THE RIGHT TO hear the doctor yell, "We're losing him, people!" in a loud dramatic voice.

7. THE PATIENT HAS THE RIGHT TO an abortion unless such controversial subject matter scares off current and/or potential sponsors, thereby threatening the show's ad revenues.

8. THE PATIENT HAS THE RIGHT TO a private room, regardless of financial status, if such a room is needed for a dramatic doctor/patient heart-to-heart talk or emotionally-charged confrontation to add interest to an otherwise flat episode.

9. THE PATIENT HAS THE RIGHT TO late night "just wanted to check on you" visits by several top doctors who, if it were the real world, would never be in a hospital past five p.m., let alone sober!

PLOT FRICTION

Tell me again about a subject movie audiences are clamoring to hear about — international fast food!

Okay! In Paris they don't call a burger a Big Mac! They call it Le Big Mac! Damn!

And in Holland they put mayo on fries! Wow! No \$%&!?!?

I thought that this was going to be a gangster film!

I paid \$7 to see the '90s versions of Clemenza and Corleone! Instead, I got Regis and Kathie Lee in a cooking segment!

I didn't know the Blues Brothers were making a comeback!

It's not the Blues Brothers! It's Vonce and Jowls — two hit men for a mob boss!

It's hard to believe this movie won the Cannes Film Festival!

It's all style! They're turning the crude material of cheap crime novels into art!

Turn sleaze into art! Why didn't we do that? Critics thought us too violent in *Natural Born Killers*! Shut up or I'll kill you!

I'm going to be a famous screen-writer!

Then observe the form closely! This movie has three criss-crossing stories, interrupted by bizarre character turns making the last story chronologically first!

Forget film writing! I'm going into auto repair!

Is it really true this movie's plot structure is out of sequence?

Put it this way: right now you're not in this opening splash panel! You're actually on the last page!

Oh, I see! It's *Back to the Future* in reverse!

Drink from me and you will live forever!

Le Fotostat! You're supposed to be in MAD's satire of *Interview With the Vampire*! Why are you here?

Hunger! From the blood that's splattered in this film I could feed myself for decades!

As I understand it, you got a corpse in a car, minus a head! Here's what we do: You're gonna scrub the back seat, scoop up all the little pieces of brain and skull, wipe down the upholstery and clean the windows with Windex! Really scrub!

Wow! This guy really is a clean-up man!

I knew the mob was into money laundering... but upholstery laundering?

Say, who does this guy remind you of?

Not sure! He's dressed like Mr. Peanut, but he sounds like my Aunt Freda!

I don't like taking orders without a "please"!

Don't %*%& with Wolfie! You tangle with me, I'm in your face!

Yeah!?! Whatta you packing? A luger, a .45, a semi-automatic?

I got Lemon Pledge with a nozzle attachment!

Back off, Vonce! I ain't messing with the Mr. Clean of the mobster world!

SEE—I TOLD YOU!

Holy %*%&*\$! I'm witnessing another miracle!

The fact that we happen to be in the same coffee shop at the same exact moment as those two creeps from the first scene?

In this movie that's standard! I'm talking about the fact that we're in an L.A. restaurant and nobody's having a power breakfast!

Jeez! This diner scene is taking forever!

I bet we would have gotten quicker service if one of us wasn't a black man!

Just our luck! We picked a %*%&*-ing Denny's!

What was our haul?

Thirty dollars in cash, twelve nipple rings, seven pairs of designer sunglasses, four astrological charts, a deed to a tofu farm and a spec *Seinfeld* script!

We gotta get out of Southern California!

As director of this film I was pretty %*%&*-ing good in my acting cameo!

You sucked, man! But I nailed my performance in *Do The Right Thing*!

You were both amateurs! The trick is to be brief!

I gave up acting! I've been too busy helping my girlfriends with their homework!

Excuse me! Do you have the right time?

I'll have to go to the bathroom to look at my watch!

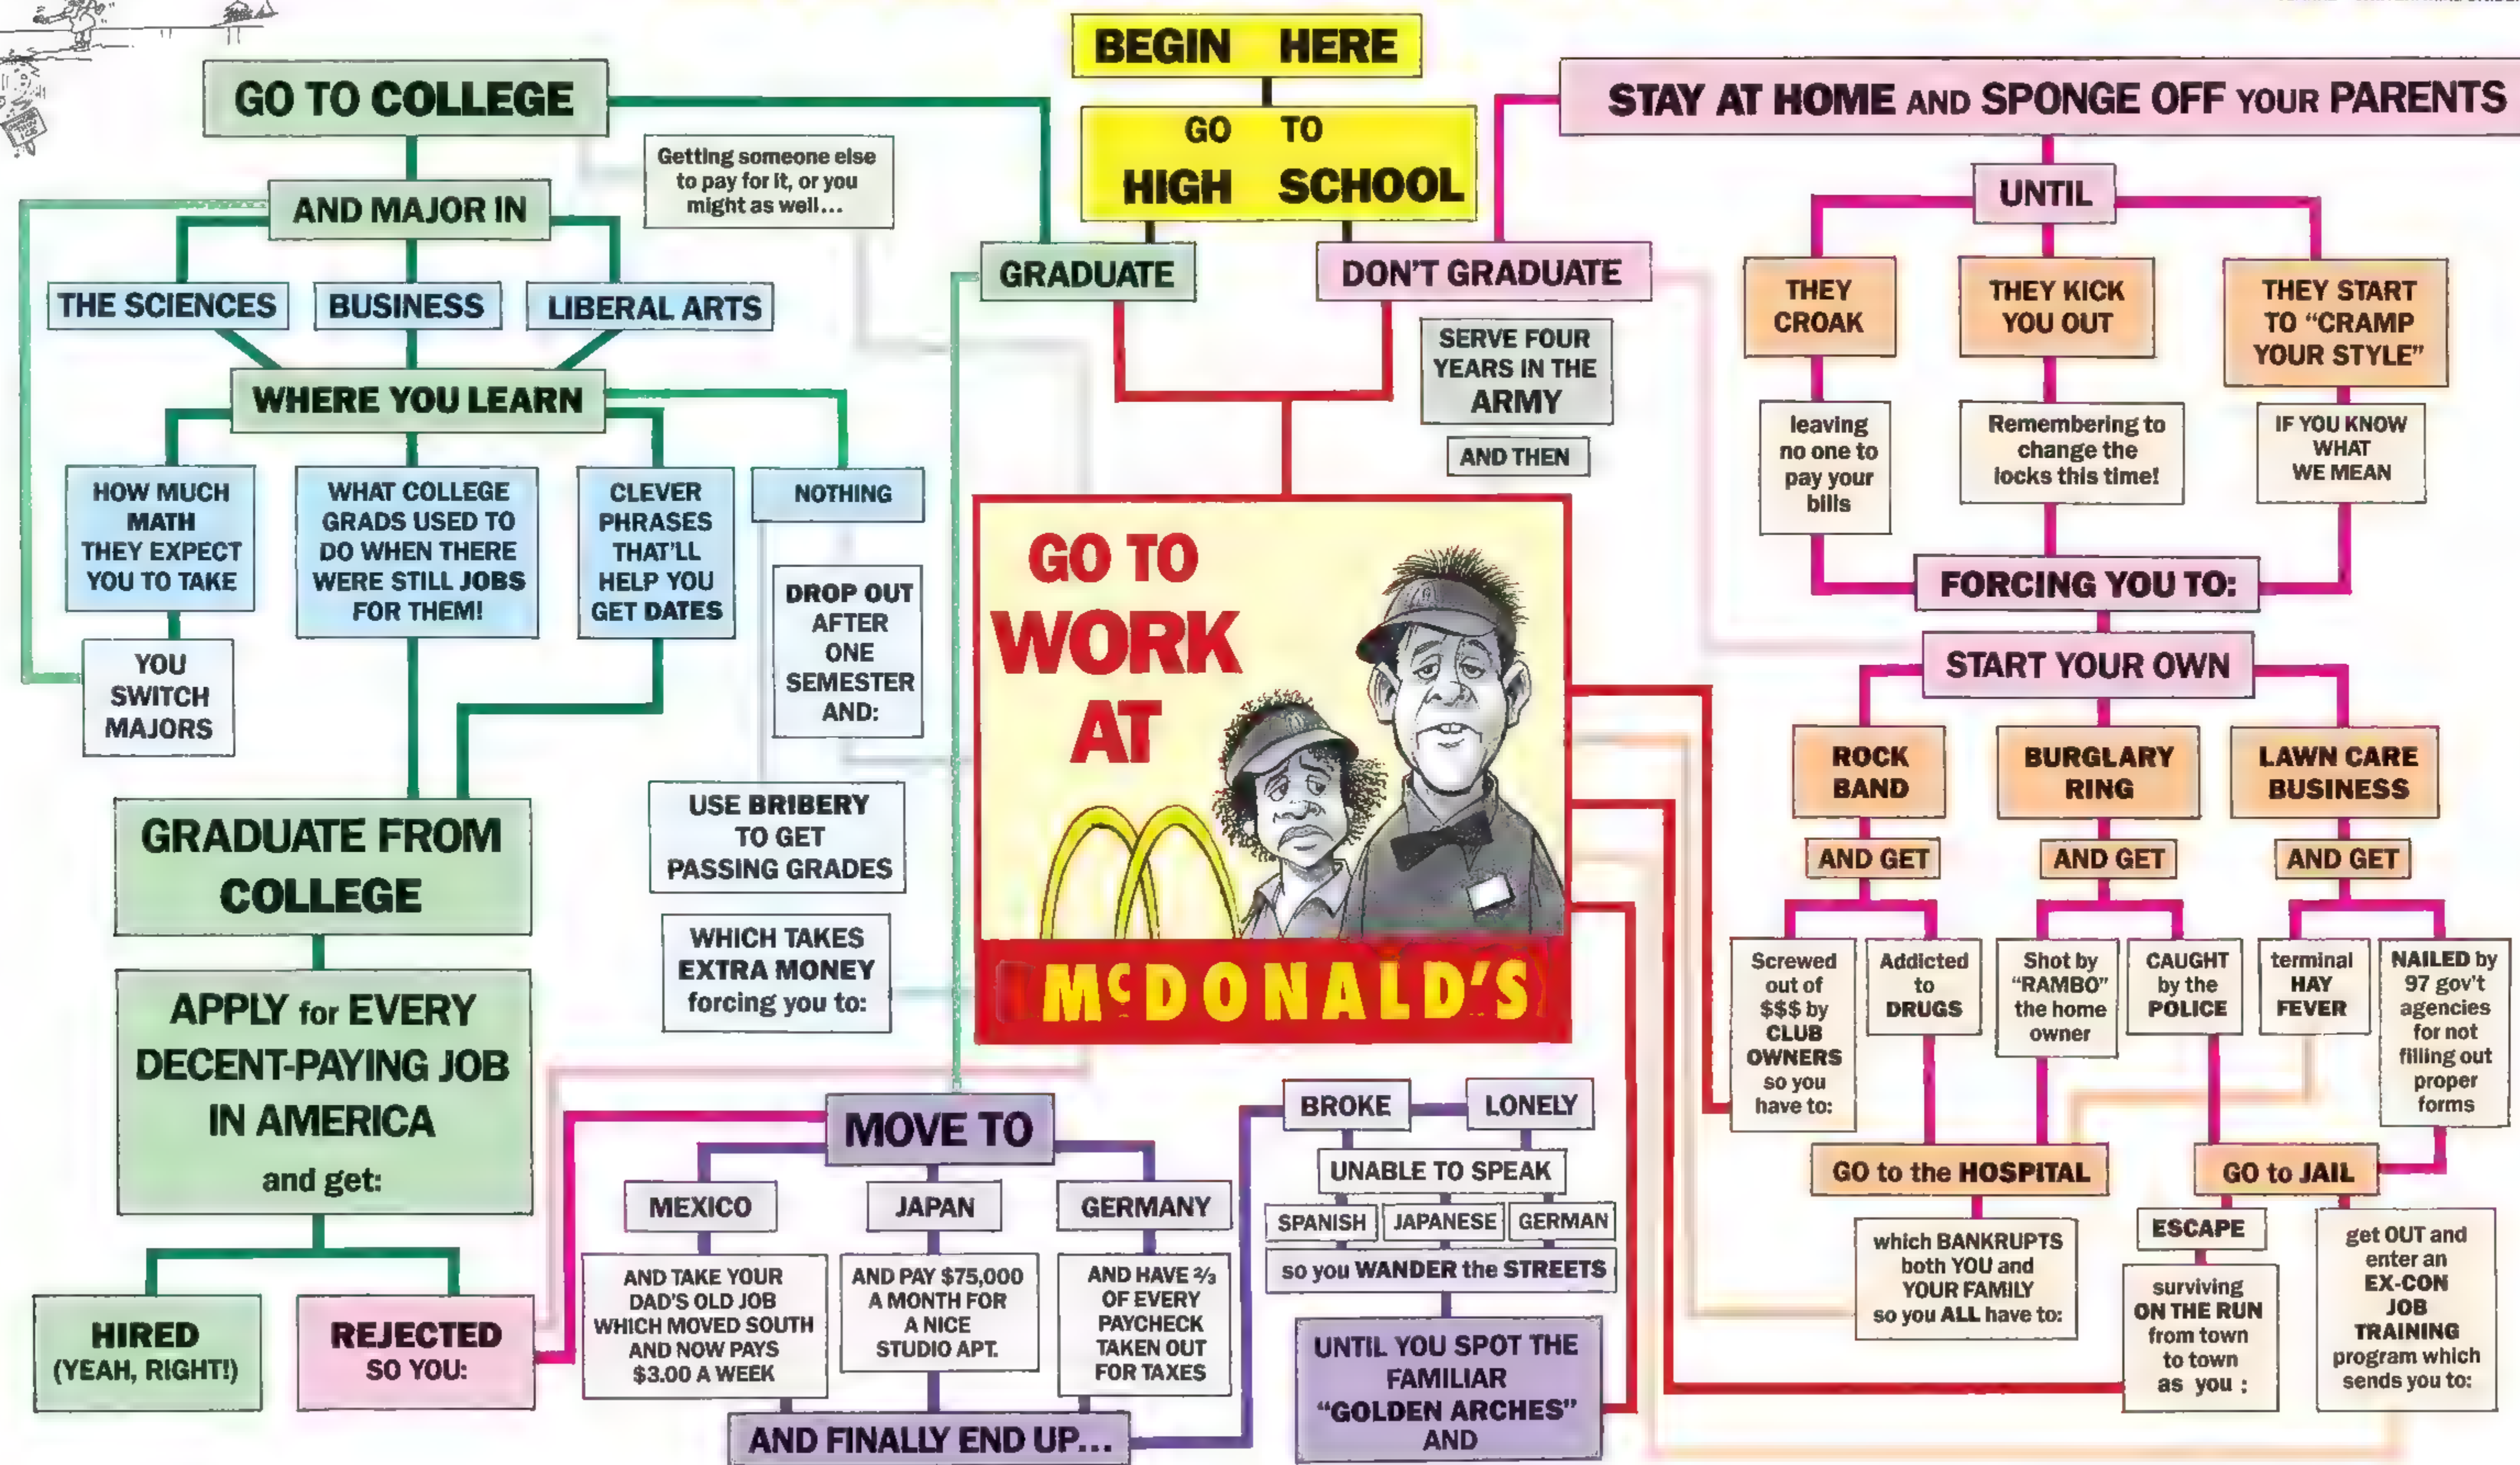

Uh, never mind! Waiter! Check please!

Things sure are different nowadays. It used to be that parents had high aspirations for their kids. To some, Monica Lewinsky is a mere bimbo, but to us she's much more than that. She's the bimbo of bimbos, ■ bimbo whose great bimboness sets a new bimbo standard by which all future bimbos will be judged. Furthermore, her bimboity transcends the bimbo oeuvre and has bimboified* our entire culture. Here's...

HOW MONICA LEWINSKY

*Note: The use of the word "bimbo" and its variants 10 times in the above introduction sets ■ new MAD record for use of the word "bimbo" and its variants in ■ MAD introduction.

About 15 cameramen wasted two years of their lives standing outside Ken Starr's driveway, filming eight seconds of dumb footage of him smiling like an idiot and getting into his car with that friggin' cup of coffee every day.

For the first time in her life, Linda Tripp experienced the feeling of telling someone else, "That dress makes you look fat."

Legendary French mime Marcel Marceau got bumped down to the #2 slot on the list of the "World's Most Well-Known Beret Wearers."

CHANGED THE WORLD

Letterman's and Leno's writers got to knock off every night's monologue by noon and leave work early.

Across our great land, thousands of aspiring limerick writers simultaneously thought they were being unbelievably clever by using the end rhyme "harmonica."

The list of classic Presidential quotations such as "We have nothing to fear but fear itself," and "Four score and seven years ago," grew even longer, with the addition of "I did not have sexual relations with that woman," and "It depends on what your definition of 'is' is."

Any moron with an opposable thumb and a 14Kbps modem now has the potential to become a major news-breaking "player."

America's national security was ever-so-slightly weakened when Monica's "friend" Linda Tripp failed to show up for her \$90,000 Pentagon job during all the commotion.

Thanks to Monica's secretly recorded phone conversations, the Artist Formerly Known As Prince's last self-released album is no longer regarded as the least interesting and most indulgent use of recording tape ever.

More than 240,000 trees were chopped down to make paper for the Starr Report and the 175 unreadable tell-all books by every person associated in any way with the scandal – and that doesn't count the yet to be published volumes by gift-smuggling secretary Betty Currie, former MSNBC smirkmeister Keith Olbermann and the hotel clerk on duty the night Clinton met Paula Jones.

ABBOTT & COSTELLO ORGANIZE THE VIDEOTAPE LIBRARY

ABBOTT: Look sharp, Costello. I had to pull some strings to get us this job organizing tapes in the music video library.

COSTELLO: But some of these singers and songs today have pretty confusing names.

ABBOTT: That's all right, boy. I know all the songs. You pull the videotapes, and I'll tell you which song each one is, and who does it.

COSTELLO: And I'll write it down. Let's start with this Tracy Chapman video. Tell me the name of the song.

ABBOTT: *Give Me One Reason.*

COSTELLO: I told you, so I can write it down. So tell me which Tracy Chapman song this is.

ABBOTT: *Give Me One Reason.*

COSTELLO: We're behind six months on the rent! You need a better reason?

ABBOTT: I'm telling you, man!

COSTELLO: Don't get so mad at me. Forget this video, I'll save it until the end. Here's a bunch of Alanis Morissette tapes, but they're all mixed up. Which song is this one?

ABBOTT: *You Oughta Know.*

COSTELLO: I don't know the names of the songs. Which song is this?

ABBOTT: *You Oughta Know!*

COSTELLO: But I DON'T know! What about this other Alanis Morissette video?

ABBOTT: It's *Ironie*.

COSTELLO: It's ironic that I don't know the name of the video?

ABBOTT: You heard me. It's *Ironie*.

COSTELLO: I don't think it's ironic.

ABBOTT: I'm telling you it's *Ironie*!

COSTELLO: Let's go back to the first one.

ABBOTT: *You Oughta Know, Costello.*

COSTELLO: Do you know the name of the Alanis Morissette song?

ABBOTT: Certainly.

COSTELLO: Then please tell me the name of the Alanis Morissette song.

ABBOTT: *You Oughta Know.*

COSTELLO: You say I oughta know but I don't know. Now THAT's ironic!

ABBOTT: No, that's the SECOND video!

COSTELLO: I got two videos and I don't know either of 'em. What about this Mase video? What's the name of the song?

ABBOTT: *What You Want.*

COSTELLO: The name of the Mase song.

ABBOTT: *What You Want.*

COSTELLO: I want the name of the Mase song.

ABBOTT: *What You Want.*

COSTELLO: The name of the Mase song. You oughta know.

ABBOTT: Now you're talking about Alanis Morissette again.

COSTELLO: And let me guess — it's ironic.

ABBOTT: Now that's the first correct thing you've said all day, Costello!

COSTELLO: I don't even know what I'm talking about!! Could you pick up that tape next to you?

ABBOTT: Of course.

COSTELLO: Which song is on that tape, Abbott?

ABBOTT: *I Still Haven't Found What I'm Looking For.*

COSTELLO: That tape there in your hand.

ABBOTT: *I Still Haven't Found What I'm Looking For.*

COSTELLO: That tape there.

ABBOTT: *I Still Haven't Found What I'm Looking For.*

ABBOTT: Of course. U2!

COSTELLO: I'd really like to be writing some of these down. Do you know the name of the group on this video?

ABBOTT: No Doubt.

COSTELLO: Oh, I don't doubt YOU know it, but I wonder whether I'll ever know it. Can you tell me the name of the song?

ABBOTT: *Don't Speak.*

COSTELLO: Don't speak?

ABBOTT: You heard me, Costello. *Don't Speak.* Ready for the next video? Costello? Costello!

COSTELLO: You told me don't speak!

ABBOTT: That's right, *Don't Speak.* Ready for the next one? Costello? Why aren't you talking?

COSTELLO: You oughta know.

ABBOTT & COSTELLO: Alanis Morissette!

ABBOTT: Why are you getting so excited?

COSTELLO: Music affects me that way sometimes. I have a video here by En Vogue. Can you tell me the title?

ABBOTT: *Never Gonna Get It.*

COSTELLO: Why am I never gonna get it? Give me one reason.

ABBOTT: That's Tracy Chapman, we're not talking about her!

COSTELLO: I'm not talking about Tracy Chapman either. You oughta know.

ABBOTT & COSTELLO: Alanis Morissette!

COSTELLO: Since we're naming so many female singers can you tell me the title of this Sheryl Crow video?

ABBOTT: *If It Makes You Happy.*

COSTELLO: I would be ECSTATIC! Here's the last one. Which Spice Girls song is this?

ABBOTT: Stop.

COSTELLO: I'm not sure we ever started.

ABBOTT: You mean you haven't written any of this down?

COSTELLO: How could I write any of it down? I ask for a title and you tell me it's what you want, and it's ironic I still haven't found what I'm looking for! Give me one reason! You too! Don't speak! Stop! No doubt I'm never gonna get it if it makes you happy! Because you oughta know — Alanis Morissette! Well I've had it! I want you to quit playing games!

ABBOTT: What's that you just said?

COSTELLO: QUIT PLAYING GAMES!

ABBOTT: Ohhh, that's the Backstreet Boys!

COSTELLO: URK!!!

Bill Clinton and the Terrible, Horrible, No Good, Very Bad Day

RUDITH WORST

Illustrated by SEACRUZ

I fell asleep with a Big Mac in my hand and now there's special sauce in my hair and when I got out of bed this morning I tripped over Socks and I had laryngitis again and I could tell it was going to be a terrible, no good, very bad day.

I thought it would cheer me up to get a haircut but the barber charged me too much and made me look silly. Then everyone yelled at me for holding up planes at the airport. And then Hillary got a really cheap haircut and still looked better than me.

I could tell it was going to be a terrible, horrible, no good, very bad day.

At breakfast I read the morning newspaper and it said most people think my Health Care proposal is an unworkable mess and that my foreign policy is unfocused and spineless and that I have huge love handles.

2

I think I'll move back to Little Rock.

3

On the evening news a man said I was lying about my role in the Whitewater Scandal. Then some Senators came on and said I was more unethical than Richard Nixon and that I would never finish my first term unless I "came clean."

6

When I went to bed Hillary wanted to sleep with Socks, not with me, and I couldn't stop thinking about Janet Reno.

It has been a terrible, horrible, no good, very bad day.

Vincent Foster used to tell me some days are like that.

Especially in Little Rock.

Curious George

Goes to Washington

by
H. O. Vey

This is George.
George went to Yale.
He was a good little monkey,
because he wasn't very curious.

After eight years, The Man in the Cowboy Hat left office and George ran for President. He asked a little bird named Quayle to be his running mate. The little bird was not qualified, but George did not care. He still wasn't very curious.

George won the election. He found it was hard to be President without being curious. People lost their jobs. OOPS! The deficit grew. OOPS! And the little Quayle bird kept messing up too. OOPS! Before long George's wife and dog were more popular than him. OOPS! OOPS!

One day, The Actor with the Cowboy Hat asked George if he wanted to be Vice-President. "I'm going to violate the Constitution and sell arms illegally to Iran," the Actor said. George said nothing. He wasn't very curious.

2

For a long time, George was The Actor in the Cowboy Hat's favorite monkey. When a foreign Head of State died and The Actor in the Cowboy Hat didn't want to go to the funeral, George went for him. George was good at funerals.

3

After four years, George ran for President again. He said everything was fine. He was still not very curious about the lost jobs, the big deficit or the little bird. But the voters were curious. So they sent George away...

6

...to TEXAS!
What a nice place
for George to live!

I'm worried! What are you worried about?

I'm worried this is one of those computer-generated scenes and in a second I'll be having sex with a dead president!

Momma always said, "Life is like a roll of toilet paper—the closer you get to the end, the faster it goes!"

We're going to kick the %&@ out of the Cong! We've got the best damn soldiers in the world!

My name is Shlump! Fairest Shlump!

I'm Burpa Blues!

I can run fast!

I like to catch shrimp!

I saw a midget once!

All kinds of shrimp! Boil 'em, fry 'em, shrimp sandwich, shrimp pudding...

I like to "build things" out of meatloaf!

This army is in some deep trouble!

Momma always said, "Life is like a fruitcake—hard and full of nuts!"

Junkie, stop it! Stop this topless folk singing!

Fairest, get off the stage!

Why? I'm protecting your honor!

The audience came to see boobs and you're not exactly the kind they had in mind!

Junkie! We meet here in Washington!

Congratulations, Fairest! With an IQ of 75, you finally found a city where you blend in!

Fairest Shlump, meet John Lennon!

What a country! Everybody's famous for 15 minutes! We'll never hear from this guy again!

He's a war hero and a ping pong champ!

I'm talking about Dick Cavett!

THE DICK CAVETT SHOW ABC

I'm back in your life, Shlump! I'm bitter and I'm horny! Grab a girl!

This is gonna be a strange New Year's! Have you ever touched a woman?

It was a long, long time ago! How long?

The first third of this movie!

Man, that WAS a long time ago!

Momma always said, "Life is like a sneaker—after you've been in it a while, you find it stinks!"

Lt. Dang, since you've joined me in the shrimp business, we've become millionaires!

It's you, Shlump! You are one lucky scatterbrain!

Lucky?

You not only caught shrimp, you also hurled in cocktail sauce!

Fairest, my time is running out!

I'll get you a new watch, momma!

I mean I'm on my death bed!

After the bed dies, should I bury the spring and mattress?

Somebody, please! Pull the plug!

Gidger

Now that you've come back to Alabama, will you marry me?

I won't marry you, but I will sleep with you!

I'm greatly saddened by this!

Fairiest, I think your IQ just dipped to 65!

When Junkie went out of my life I started running! First across the county line, then across the state line! I kept running clear across the country!

ARE YOU SHANE?

I was in for lots of surprises! On my map at home it's four inches from Alabama to Texas! I discovered it was much further! And when I ran across different time zones, I never saw those little dotted lines! And when I got to the Texas panhandle, it wasn't even hot!

RAIN MAN

I'M AN EXCELLENT RUNNER-- EXCELLENT RUNNER!

People followed me! Obviously, they didn't have a life either!

Momma always said, "Life is like a rubber band— you get stretched to the max and suddenly you snap!"

Toward the end, a young man from Arkansas joined our group and asked for advice!

I don't know what to do!

Just keep on running!

Can we stop for fries?

Sure!

Can we stop for babes?

Why not? I need to stop running anyway! I think I hurt my foot! I wish we had a universal health care plan!

Hey, wait a minute! Say that again!

A SPROCKET FULL OF MIRACLES DEPT.

Anyone who's ever gone to the movies knows that things absolutely NEVER happen in life the way they do on the big screen. Not one soldier—not even Rambo—can shoot down hundreds of ruthless enemies without so much as getting a nick! And Hollywood prostitutes—not even those who look like Julia Roberts—do not attract handsome millionaires who save them from a life of degradation and sleaze! Hollywood distorts reality (which is pretty distorted already, if you ask us!)—a phenomenon we examine further in this little ditty of an article called...

THE PERNICIOUS PLAYTHING PAYOFF

It's the legal battle of the century that doesn't involve the words "Kato," "planted DNA" or "Mr. Fung"! United States prosecutors are going after Microsoft for illegal business practices, and you can bet they'll be arguing this sucker until it reaches the Supreme Court — just in time for Windows 2032! And guess who ultimately pays for this legal fiasco? Hint, hint: Who ALWAYS pays? But why should we fork over the dough for some judge to decide whether Bill Gates gets to keep his \$60 billion, or has to survive on a paltry \$25,000,000,099.95? Let's get it all over in half an hour by...

SETTLING THE MICROSOFT MONOPOLY LAWSUIT ON

JUDGE JUDY

You are about to enter the courtroom of Judge Judith Sheindlin! The people are real. The cases are real. The judge is real annoying! The rulings are final! This is her courtroom! Back off, bozo! This is Judge Judy!

All rise in the matter of the *United States versus Microsoft!*

The accuser, David Boies, says Microsoft broke the law by misrepresenting its products, abusing its competitors and cheating its customers, resulting in terrible consequences for the computer business!

This is the defendant, Bill Gates, who basically agrees with Daffy Duck: "Consequences, shmonsequences, as long as I'm rich!" He is asking for a full apology from the U.S. Government for making him go outside!

Okay, I've read the complaint! Mr. Boies, tell me why this guy put the bug up your butt!

Using a series of predatory business tactics, Mr. Gates and Microsoft sought to eliminate Netscape —

Do you see a sign saying "Chinese spoken here"? I don't have time for this! Tell me what they did in 15 seconds or less! Hurry up, the meter's running!

But, Your Honor, for me to truly explain Microsoft's dominance in the marketplace, I must —

Tick, tock, BUZZZZ! "Blah, blah, don't move, Netscape, this is a stick-up!" I get it!

Mr. Gates, what do you have to say about this?

Your Honor, in no way did we intend to adversely impact the marketplace as a whole! What Microsoft did was —

Zip it! I can do it in 25 words or less: "All the other companies fall down, but I didn't trip them on purpose!" Bing, bang, done!

Mr. Gates, I have hundreds of incriminating e-mails you sent or received, then tried to destroy!

Your Honor, he's taking these e-mails totally out of context!

Like this? "This antitrust lawsuit will blow over, and we'll go back to squeezing 'em dry in no time"?

Exactly! You see, there was a thunderstorm coming, and all the legal papers were next to an open window! I was afraid the wind would knock them into a puddle, and we'd have to wring out the pages!

But what about THIS e-mail you sent to AOL: "How much do we have to pay you to screw Netscape?"

Again, out of context! There was a little smiley face afterwards!

Well, how do you explain this: "If our illegal plan works, we will live to piss on the smoldering graves of Netscape scum! Microsoft will buy their assets at bankruptcy court, then we shall celebrate by taking also their women!"

Um... that one was a typo!

Your Honor, I think you need to look at those internal e-mails as a sort of "locker room bravado"!

Bill, baby, I bet the last time you were inside a locker room, the football team flushed your head in the toilet until you wet yourself!

Your Honor, Microsoft's only crime is success! When this company began in the 1970s, IBM was the big kahuna - but they were old, slow and overconfident! They failed to see the future in computing, and that's how we knocked them off! It's a little something called "vision"! We had it and IBM didn't!

Oh, you mean like how Microsoft totally missed the boat on the internet?

Hey! Microsoft did NOT screw up predicting the internet! The company's procedural plan was... uh, the idea of integrating our system with...er, e-commerce is a huge facet in our...ummm... I have a really big house!

Mr. Gates, you agreed that Windows 95 violated antitrust laws! But you went ahead and broke the same laws with Windows 98, claiming it was a new product! What's the legal difference between Windows 95 and Windows 98?

Three years! Ha! Get it? Anyway, we didn't break any laws!

But you already admitted that you did!

Ohhh. THOSE anti-trust laws! Well, yeah, but our competitors have increased in value! So where's the harm?

You mean your defense is: "We didn't break the law, but if we did, it helped the competition"?!?

You think THAT'S slick, wait 'til I explain how they make suckers pay TWICE for the same program just to get their bug-filled, misprogrammed crap to finally work, and call the second purchases "upgrades"!

Now wait one cotton-pickin' minute! Mr. Gates, I've been listening to your evasive answers all day! You're the president of the biggest computer company in the world! How is it I can't get a single straight answer or useful piece of information out of you?

Easy! I started out working the phones as a Microsoft tech support representative!

You see this robe? It doesn't mean I'm taking a steam bath! Your mouth is a dangerous weapon, so keep it holstered! There's no free ride on THIS Judge's trolley car! I'M the chiropractor here, and your attitude adjustment comes free!

Excuse me, Your Honor? I'm afraid I don't know what you're objecting to!

Oh, nothing - we're just filming some new idiotic wisecracks for the 10-second TV ads!

Okay, so maybe Microsoft played a little rough, told a fib or two and broke every corporate law in North America!

Now we're getting somewhere! Confession is good for the soul, bunky!

But what matters is that they gave your husband Ed Koch's gig on *People's Court*!

Yeah, so?

And Judge Mills Lane is doing well! As are Burton Katz, Joe Brown and Judge Wapner! That's a lot of competition! You might say they threaten your ratings monopoly!

I think I'm catching on...

I know the heads of every TV station in the country! A few calls, and by Monday, Judge Judy is the only court show on TV!

I usually go into chambers before rendering a decision! But not this time! Sometimes a monopoly IS a good thing! Case dismissed!

Hello, I'm Robbed Serling! Submitted for your approval, you are traveling through 150 channels with your remote, trying to find an interesting show to land on! Suddenly, you meet an FBI agent who is convinced our planet is overrun with aliens! Every sight and sound is distorted in his mind! The opening credits should read: Robbed Serling's *The Twilight Zone*! Instead many of my stories have been recycled into the...

ECCH-FILES

I'm special agent Facts Moldy! I investigate cases that have no human explanation! Like why do Superheroes wear capes and just how did Conan O'Brien get his own TV show? I believe in psychic phenomena, extraterrestrial beings, UFOs, ghosts and the Easter Bunny! And I have Proof! If the Easter Bunny doesn't exist then who the hell colors all those eggs every year?

I'm Agent Skulky, and I work with Agent Moldy! My job is to assist him and to make sure he doesn't go off the deep end with his strange and disturbing stories, and give the agency a bad name! Of course, after what J. Edgar Hoover did, making the bureau look bad is a tall order! If you look around me, you'll see some excellent specimens of unexplained phenomena and mutant life forms! This is one of our main research centers, New York's Port Authority Bus Terminal!

I'm a secret government informant! I know, big deal, there are two million secret government informants! But my job is different! I'm paid by the producers of *The Ecch-Files* to show up whenever the writers need to advance the story, or fill in big gaps in the plot... that means I work fairly often!

I'm FBI Assistant Director Skinhead, Facts Moldy's tough, no nonsense boss! I don't believe in aliens! In fact, the only thing harder than finding a real alien on Earth is finding any sign of a personality in me!

There's some slimy creature down there, thrashing about in the sewage! It's big... maybe the size of a human!

A slimy, human-sized creature? Aw, c'mon, what would a lawyer be doing down in a sewer?

We found an alien! We found an alien!

Calm down, Moldy! Not everything in this city is an alien!

Someone's gonna have to go in that sewer and find out what's down there! Skulky?

Gee, my favorite thing, crawling around in raw sewage!

Nuts! It's my favorite thing too! I wanted to crawl around in the raw sewage!

Okay, Moldy, you go!

Oh, boy! Oh, boy! I owe you one, Skulky!

I'm Agent Moldy's sister! My brother became interested in outer space phenomena when my body rose up one day and glided away! He thinks I was abducted by aliens! The truth is, I sucked one too many helium balloons and floated out the window! If this magazine had a soundtrack, you'd hear my funny, high-pitched voice!

WRITER: DICK DEBARTOLO

ARTIST: ANGELO TORRES

COLORIST: CARL PETERSON

Do you have a gun on you, Agent Moldy?

Yes, and thanks for the concern! I always felt the bureau didn't care about me!

We don't! It's wet in the sewer! I don't want your gun to get rusty! It's FBI property! Hand it over!

Moldy, what do you think you're doing?

I am going down the sewer!

We have an open man-hole — with a ladder!

Wow, the bureau has such advanced equipment!

Agent Moldy says this country is overrun with aliens, but the government keeps them secret!

Let me tell you about Moldy! While traveling at government expense, he flies coach, and stays at cheap hotels!

Oh, okay, I get it! So he's a weirdo!

Your attention, please! Assistant Director Skinhead of the FBI has an important announcement!

New Yorkers, the FBI needs your help! We have a special agent conducting an investigation in the sewage system! If you live in NYC, please do not flush for the next 12 hours! If you must go, please use New Jersey! It stinks so bad over there no one will notice!

Typical of city government! Look at that beautiful sculpture up there! It's wasted here in a sewage tunnel! It should be in Central Park where people could enjoy it! Well, there's nothing unusual here, let me go into the next tunnel!

What happened to you, Moldy?

I was checking one of the tunnels when something came flying at me! It had big white eyes and it was long and snake-like! It tried to kill me! It must have been an alien!

Schmuck, you wandered from the sewage tunnel into the subway tunnel! That was no alien! You got hit by the "D" train!

But, look what I found down there! He's half-man, half-fish!

He's all man and no fish! Moldy, this is a human that somehow ended up in the sewer! A fish doesn't wear a three-piece suit!

But it's the kind of suit a fish would wear! Herring-bone!

It's hopeless!

He's dead?

No, he's alive, but there's no medical card in his wallet! My hospital won't take him!

How are we supposed to get him to a hospital?

Drop him in that grate on top of the "D" train! There's a hospital just stops from here!

Skulky, I always meant to ask you — where did you go to medical school?

To tell you the truth, I didn't! It was quicker and cheaper to just buy this medical cap and gown! When you wear these in a hospital, no one questions your authority! Besides, the bureau pays so poorly, I make a little extra income doing surgery on the side!

I'd like to ask that ugly kid flying on his bike if he saw anything strange, but he's pedaling too high up!

Every week we sneak into a different government facility, so let's get those scenes out of the way now!

You need to have Security Level 12 to get in this one! What Security Level do we have?

I have Level 9, you have .0001!

Why do I get this feeling the bureau doesn't trust me a whole lot?

I know how we can get in! Through the sewage drain!

You know Moldy, there's some sexual tension between us, but every time I think we might get it on, I remember what a dolt you are and how much time you spend crawling in yucky stuff! It kind of kills it for me! You go through the sewer, I'll go through the front door!

My God, Skulky, what is this place?

This is where the FBI keeps all the unexplained things we find!

Do they do further investigations here?

Sort of! You know that alien we found whose normal body temperature is 12 degrees? They discovered he can cool a six pack of beer in under 4 hours!

And this is the creature who can use his brain to make his hands heat up to 1,000 degrees!

What did they do with that man who was in the military sleep deprivation experiment? The guy who's been awake for 25 years straight?

They made him a security guard, but then they fired him! He was putting in for too much overtime! 112 hours overtime a week adds up!

Some Joker fished Johnny "Hairy Toes" Cohen out of the sewer after I machine gunned him down! They took him to the hospital, but I helped Johnny do a fatal swan dive out a 30-story window!

Okay, I admit that thing in the sewer wasn't a fish, and it wasn't a bird either! But it was an alien ground hog! It dug a hole and went underground!

Moldy, the gravediggers dug the hole, and everyone who's buried goes underground! Now let it go! Have a drink! Walter — some wine please!

In a minute! I'm doing my best! I only have four arms, you know!

I won't give up! With my keen senses, sooner or later, I will find proof positive that there are aliens on this planet! The truth is out there! But where?

Still she drinks Johnnie Warper.”

As President Clinton completes his final term amidst a steady wave of controversy, the question America is asking is: What will his legacy be? Will it be his sending troops into Bosnia or having a mirrored ceiling installed in the Lincoln bedroom? Will it be single-handedly getting NAFTA approved or single-handedly getting McDonald's to add the 48-piece Chicken McNuggets to the menu?

Something's puzzling me, Moniker! You're ■ struggling assistant chef, Regal is just a waitress! Who's going to believe the two of you can afford this fabulous loft?

The same people that believe the six of us horny, one-track minded animals hang out every night and never get involved sexually with one another!

Well, what are we going to do today?

Here's a wild thought! We could go to our jobs!

And lose our top-10 show rating? Our viewers want fantasy, not reality! We never go to our jobs!

I know! Let's have a seance!

Nah! Let's play strip poker!

Let's do both! We'll contact dead naked people!

Hey! Let's all cruise for chicks!

Shoey, some of us don't want to cruise for chicks!

If you don't want to go, let's get Floss's lesbian wife to go with us!

Tell me, what's the story with Shoey?

He's an out of work actor! He's also going to school!

Really? What's he studying to be?

Tony Danza!

That's Shoey's main problem—he always aims too low!

Floss, you've gotta stop brooding about your ex-wife leaving you for a lesbian lover!

I can't help it! It's my one claim to originality!

You're a little late, ol' buddy! The "lesbian lover" routine was done 15 years ago by Woody Allen in the movie *Manhattan*!

True, but Woody had the emotional maturity to deal with it! I'm not half as stable as he is!

Heyyyy! What's going on!

Ooops! Sorry, Regal! With six people in such close quarters this kinda thing was bound to happen!

Did you see anything?

No! And they were both beautiful!

Let's face it! We've all had secret feelings!

Yeah! Hey, six young sexy people in one apartment! How long can we hold back?

This platonic thing isn't going to work! Sex always gets in the way!

Two of us have got to end up in bed soon!

I sure hope it's not you and me!

Why wait four or five seasons? My hormones are raging now!

Yeah! Let's go for it!

But who's gonna be the first to do it?

There's only one fair solution...

Goodnight, Shoey!

Goodnight, Pheeble!

Goodnight, Chandelier!

Goodnight, Regal!

Goodnight, Floss!

Goodnight, Moniker!

Goodnight, Floss!

'NIGHT, FLOSS!

George! What are you doing here?

Well, I'm not getting much on *Seinfeld*, so I thought I'd try my luck in this ridiculous situation!

O.J. Simpson! At first the name was synonymous with football. Then: murder! Now: the Collector's Market! Yup, ever since the furniture in the hotel room "The Juice" stayed at that grisly night in June was auctioned off for big bucks, everything O.J. (or anyone having anything to do with anyone having anything to do with O.J.!) touches is guaranteed to sell for mucho moolah! So, pull out your wallet and prepare to shell out some big bucks as MAD not-so-proudly previews...

Judge Ito's Take Out Lunch Leftovers

It's a Wonderful Life is a heartwarming film about the positive impact one man's life had on all those around him. It starred Jimmy Stewart as the troubled man who learns a valuable lesson. Over the years it's become an American classic, enjoyed by generations. *It's a Blunderful Life* is a less-than-heartwarming movie satire about the questionable impact one man's election had on all those around him. It stars Bill Clinton as the troubled politician who never seems to learn his lesson. Hopefully, this too will become an American classic enjoyed by generations. Given MAD's policy of reprinting articles over and over again in Super Specials, we think that's pretty much a done deal! Here's...

It's a Blunderful Life

His name is **Bill Clinton**! As a youth, he gave up his dream of being a ne'er-do-well, womanizing sleaze so his brother could become one instead! The closest thing he could find was going into politics!

He is now in a state of despair and is contemplating flushing himself into the Potomac!

My welfare bill won't pass, my health program is in ruins, the racial climate in the country is terrible, my approval ratings are a disaster and I don't know what to do about Bosnia, China or North Korea! The world would be better off if I had never been born!

You must stop him and show him how his life has made a difference!

I'll try, but I thought only God can perform miracles that difficult!

Who are you? There's no White House men's room attendant! Don't tell me you're another one of Stephanopoulos' dumb ideas!

I'm your guardian angel! I will show you what the world would be like if you had never been born!

Let's go back to Yale Law School in 1973!

Hillary Rodham! You look so young!

Who are you? What do you want, creep?

She doesn't know who I am!

Of course not! That's because you were never born! And if you were never born, she couldn't have met you! Then she would have to go through life looking like that instead of getting an enormously expensive, intensive makeover as the First Lady of Arkansas and then the United States!

On the domestic scene, spelling scores across the land plummet as Dan Quayle gets more and more exposure after being endorsed by President Bush for the GOP nomination in 1996!

Quayle in '96? Now I feel like vomiting in your lap!

If there are any gay servicemen here, they don't have to be afraid any longer! My policy of "Don't ask, don't tell, don't cuddle" makes sexual orientation discrimination a thing of the past!

Are you nuts? In the Bush/Cheney/Powell army if you're found with a Judy Garland, Barbra Streisand or Bette Midler album, it's grounds for automatic dishonorable discharge! Of course, you being a draft dodger, you never had to worry about such things!

Yeltsin is smashed again! He's a scream! But this time it looks like he's going to fall on his face!

Boris, be careful! You dare call me "Boris"? Arrest that stranger!

Without you there to prop him up, he might mortally injure himself! And there goes U.S./Russian cooperation!

He doesn't even admit that he's a drunk! He claims that he drinks vodka but doesn't swallow! Who's going to believe that?

Well, I think you've made a believer out of me! The world is a better place because I was born!

Before your ego starts to resemble the Goodyear Blimp, let's look at a few more situations! Just for a balanced view!

Who, indeed!

You know the GM, Ford and Chrysler plants that have closed recently? Well, if you'd never been born, neither would NAFTA — your North American Free Trade Alliance! Then those factories would still be operating and the jobs would be held by Americans instead of by Mexicans!

Yeah, but who knew? U.S. factory workers, if you had chosen to ask them!

Wow! This is one beautiful development!

Right! Except this would have been a reality instead of the get-rich-quick scam that you and your friends devised! And you even lost money on the deal!

Oh yeah? At least I wasn't dumb enough to tape my shady dealings!

What is Hillary doing in that enormous mansion?

You remember the \$100,000 she made on her \$1,000 investment? Well, instead of having to put it in your campaign for governor, she reinvested it in the market and made millions!

Even then she couldn't afford that make-over? She STILL looks like hell!

You think that the Yanks are going to help you? Hah!

They're trampling on human rights! But don't blame me! They did that when Bush was president!

You're right! You just continued his appeasement policy! Sorry!

Without you, Bush would have ended the Baseball strike and thrown out the first ball in the 1994 World Series between the Yankees and the Expos!

Oh no! You mean I failed yet again?

Not really! No one wanted to see Steinbrenner win a World Series! And hey, your very existence accomplished something that I couldn't when I was president — the Republicans winning a majority in both houses of Congress!

They say that. "No man is a failure who has friends"! Since most of your friends are in jail in Arkansas, or have been betrayed by you like Lani Guinier, or have been set up to fail like Janet Reno, I think I'll pull this chain and to hell with my other wing!

Wait! Don't flush, Bill! It'll be all right!

Look how many friends you have in the various PACs and special interest groups! They're dying to give you money for your second term candidacy! And do you know why they want you?

Because they believe in me?

Let me make it perfectly clear! It's because they feel it's better to go with the goofball they know than with any of those other clowns!

I hope you've learned something here today!

I certainly have! I've learned that if ol' Tricky Dick himself, Richard Nixon, can make it to heaven, then anything's possible in this crazy world! Even for a guy nicknamed Slick Willie! It's a wonderful life!

HERE WE GO WITH ANOTHER RIDICULOUS **MAD FOLD-IN**

The latest trend in business is to form mega-conglomerates by merging one company with another. This creates a corporate synergy that is praised in Washington D.C. But there is one type of merger that the government is steadfast in its opposition. To find out what it is, simply fold page in as shown.
